Here's what you need:

- 1. WRITERS** - choose an author or two to write the story. Authors will work with the pencillers to decide narration, dialog, panel divisions, pacing, and descriptions of the art.

- 5. LETTERERS** - choose someone to insert the narration and dialog into the panels. Letterers work with pencillers to make sure there is enough room for the text. Letterers also work with the writers to make sure the text is in the correct place.
- 6. PRODUCTION MANAGER** - one person will need to oversee the entire project. He or she will coordinate the different team members and make sure they are able to talk to each other.
