The Respiratory System

Another View

This book talks about the respiratory system. Ask a librarian or another adult to help you find a second source about this body system. Write a paragraph comparing and contrasting the new source's information with that of this book. What information is the same? What information is different?

The Respiratory System

Say What?

Studying about the respiratory system can mean learning a lot of new vocabulary. Find five words in this book you've never heard before. Use a dictionary to find out what they mean. Then write the meanings in your own words and use each word in a new sentence.

The Respiratory System

Surprise Me

Chapter Three talks about how the respiratory system works. After reading this book, what two or three facts about the respiratory system did you find most surprising? Write a few sentences about each fact. Why did you find each fact surprising?

The Respiratory System

Photo Evidence

Sometimes pictures can explain science concepts better than words. Take another look at one of the photos in this book. How does it relate to the information in that chapter? Write a few sentences about how it helps you better understand that information.
