WORLD LEADERS DURING COVID-19

Take a Stand

Chapter Two discusses some of the controversial ways the South Korean government tracked its citizens to help stop the spread of COVID-19.

Do you think these methods were too big of an invasion of privacy? Or do you think anything that could prevent the spread of disease is good? Why?

WORLD LEADERS DURING COVID-19

Why Do I Care?

Maybe the leaders in your area helped to keep the spread of COVID-19 low. But that doesn't mean you shouldn't be educated about it. How do the responses of some world leaders who weren't successful help future world leaders? What can be learned from the mistakes of some countries?

WORLD LEADERS DURING COVID-19

Another View

This book talks about how China concealed information about COVID-19 as it was spreading. As you know, every source is different. Ask a librarian or another adult to help you find another source about this topic. Write a short essay comparing and contrasting the new source's point of view with that of this book's author. What is the point of view of each author? How are they similar and why? How are they different and why?
