## ULURU

### Another View

This book talks about Uluru. Ask a librarian or another adult to help you find a second source about this location. Write a paragraph comparing and contrasting the new source's information with that of this book. What information is the same? What information is different?

## Say What?

Studying rock formations like Uluru can mean learning a lot of new vocabulary. Find five words in this book you've never heard before. Use a dictionary to find out what they mean. Then write the meanings in your own words, and use each word in a new sentence.

## Photo Evidence

Sometimes pictures can explain science concepts better than words. Take another look at one of the photos in this book. How does it relate to the information in that chapter? Write a few sentences about how it helps you better understand that information.
