### Why Do I Care?

You may not think often about where electricity comes from. What are some ways you use electricity each day? Can you think of some ways that ocean energy could affect you? What about someone in another country?

### Another View

This book talks about ocean energy as a positive alternative to fossil fuels. But every source is different. Ask a librarian or another adult to help you find another source about ocean energy. Write a short essay comparing and contrasting the new source's point of view with that of this book's author. What is the point of view of each author? How are they similar and why? How are they different and why?
