

POLLINATORS: ANIMALS HELPING PLANTS THRIVE

Surprise Me

Chapter Two discusses different insect species that are pollinators. After reading this book, what two or three facts about insect pollinators did you find most surprising? Write a few sentences about each fact. Why did you find each fact surprising?

Say What?

Studying nature and the pollination process can mean learning a lot of new vocabulary. Find five words in this book you've never heard before. Use a dictionary to find out what they mean. Then write the meanings in your own words, and use each word in a new sentence.

POLLINATORS: ANIMALS HELPING PLANTS THRIVE

Take a Stand

Which of the methods to help pollinators do you think would be most effective? Do you think people need to do one or two, or should people do all of them? Explain your answer.
