

# SYMBIOTIC RELATIONSHIPS: ANIMALS AND PLANTS WORKING TOGETHER

## Tell the Tale

Chapter One of this book describes plants and fungi working together. Imagine you are hiking in a forest. Write 200 words about what you see. Describe at least two symbiotic relationships. What other animals and plants might live there?

# SYMBIOTIC RELATIONSHIPS: ANIMALS AND PLANTS WORKING TOGETHER

## Surprise Me

Chapter Four discusses relationships where one species benefits at the expense of another. After reading this book, what two or three facts about parasites and predators did you find most surprising? Write a few sentences about each fact. Why did you find each fact surprising?

## Say What?

Studying symbiotic relationships can mean learning a lot of new vocabulary. Find five words in this book you've never heard before. Use a dictionary to find out what they mean. Then write the meanings in your own words, and use each word in a new sentence.
