GREAT MINDS OF SCIENCE

Temple Grandin

Another View

This book has a lot of information about Temple Grandin as an important role model for people with autism. As you know, every source is different. Ask a librarian or adult to help you find another source about Temple Grandin. Write a short essay comparing and contrasting the new source's point of view with that of this book's author. What is the point of view of each author? How are they similar and why? How are they different and why?

Why Do I Care?

Temple Grandin is autistic. But that doesn't mean you can't find similarities between your life and hers. How has Grandin's work affected your life today? Are there practices that might not exist if it weren't for her? How might your life be different if Grandin had not become a voice for animals and people with autism?

You Are There

This book discusses how children with autism are often targets of bullying at school. Imagine you are a boy or girl at school with an autistic child. Someone has just bullied the autistic child. Will you speak up for the bullied child? How will the other children around you react to the bullying?
