Bearded Dragons

Why Do I Care?

During the 1960s, Australia made it illegal to take bearded dragons out of the country. Even though you don't live in Australia, why should you care whether bearded dragons are taken from Australia? Why might smugglers want Australian dragons when they are plentiful and legal to own in the United States and other countries?

Another View

This book has a lot of information about bearded dragons. As you know, every source is different. Ask a librarian or another adult to help you find another source about these lizards. Write a short essay explaining how the new source's point of view is similar to and different from this book's author.
