### Take a Stand

Medicine includes some highly debated topics.

For instance, do you think it should be legal to pay people for organ donations? What problems might arise in this situation? Write a paragraph about your stance on this subject.

### Say What?

Reading about medicine and medical research can mean learning new vocabulary. Find five words in this book that you had never seen or heard before. Use a dictionary to find out what they mean. Write down the meaning of each word. Then use each word in a new sentence.

### Another View

This book has a lot of information about women in medicine. As you know, every source is different. Ask a librarian to help you find another source about female doctors. Write a short essay comparing and contrasting the new source's point of view with that of this book's author. What is the point of view of each author? How are they similar and why? How are they different and why?
