

WAR ON TERROR TECHNOLOGY

Tell the Tale

Chapter One of this book discusses the killing of terrorist Osama bin Laden. Imagine you were on the team of Navy SEALs who attacked his compound. Write 200 words about your experience on the mission. How would you feel about being assigned to this type of mission?

WAR ON TERROR TECHNOLOGY

Dig Deeper

After reading this book, what questions do you still have about the technology used to fight the War on Terror? With an adult's help, do some research to answer your questions. Write a paragraph about what you learned.

WAR ON TERROR TECHNOLOGY

Take a Stand

Chapter Five discussed the controversy of using drones. What is your position on the use of drones? How should they be used? Should they be used at all? Why?

WAR ON TERROR TECHNOLOGY

Why Do I Care?

You may not have been affected by a terrorist attack personally. However, that doesn't mean such attacks can't affect you. How does terrorism affect your life? Write a paragraph discussing your thoughts and feelings about terrorism.
